

Facilitator Professional Learning Feedback

Prompts - Questions	Your Response
Learner-Centered Questions	
<p>1. What was the most impactful concept, strategy, or takeaway from this training, and how do you see it influencing your professional practice?</p>	
<p>2. What challenges or barriers might you face when implementing what you've learned in this training?</p>	
<p>3. What additional support or resources would help you feel more confident in applying these strategies?</p>	
<p>4. What could the facilitator do to improve your learning experience?</p>	
<p>5. What topics or areas should be expanded on in future sessions to better meet your needs?</p>	
Next Steps – Action Plan	
<p>1. Immediate Actions: What can the facilitator or training team do right away to address your feedback?</p>	
<p>2. Ongoing Support: What ongoing actions or changes do you recommend to ensure your voice is heard?</p>	
<p>3. Communicative and Collaborative Solutions: How can</p>	

we, as learners, work together with the facilitator to improve the implementation process?
